

Re-elect Jackie McCambridge for Executive at Large (inside)

Hello, my name is Jackie McCambridge. I'm currently nominated for re-election as an Executive at Large Member for Inside staff. I've worked for the City since 2011, in the RCMP building, and became Office Supervisor in 2021.

I started with the union as a shop steward in 2018, and was voted in as an executive at large in April 2019. I was fortunate to attend the Canadian Labour Congress Winter School two years in a row, where I learned about dealing with difficult situations and facing management effectively.

I come from a strong union background, and enjoy taking a leadership role, and learning fundamentals so I can better serve the membership proudly and effectively.

Please consider me for re-election when voting for the Executive at Large nominations.
