### ***for the position of Executive at Large (inside)***

Hello, my name is Kasandra Gibson. I was recently nominated to become an Executive At Large Member - Inside.

I have been employed by the City since 2001. Throughout my time in Coquitlam, I've been employed as an Auxiliary Employee, TFT and RFT. I'm involved with the Union as a Shop Steward. Recently I've had the opportunity to liaise between Auxiliary employees and Union members, as a voice to bring forth staff concerns surrounding important issues. As an active member of the Union, I'd like to continue supporting our local by becoming an Executive At Large and will continue to take part in Union meetings and committees.

Thank you for taking the time to review my campaign profile.

Warm regards,

*Kasandra Gibson*
