

## **Elect Jason Friesen for CUPE 386 Vice President**

**Jason Friesen** is an active member of the Coquitlam community, as a coach and mentor for both lacrosse and soccer. In 2009, Jason started his career with the City in the Sewer and Drainage Department, as a Sub-Foreman for Engineering Operations.

Since 2017, Jason has taken an active leadership role with CUPE Local 386, as an Executive Member and Shop Steward. In 2021, Jason added another position to his resume as the Vice President for the local.

Jason's advanced union training courses include; Shop Steward level 1 and level 2, Bargaining level 1 and level 2, and Joint Occupational Health and Safety. He is currently the Head of Health and Safety for CUPE 386, has active roles on the Grievance Committee, Bargaining Committee, and is a participant at Labour Management Meetings.

Jason has assisted many union members over the years with challenges they've faced. He advocated for the Aquatics department, took a lead role to resolve concerns in the Parks department and maintained a supportive leadership role in the Engineering department.

Jason's knowledge and training make him a strong candidate for the Vice President position.

**Please re-elect Jason Friesen as our Vice President.**
