

NATASA MUHIC

for Union Bargaining Committee

Experienced.

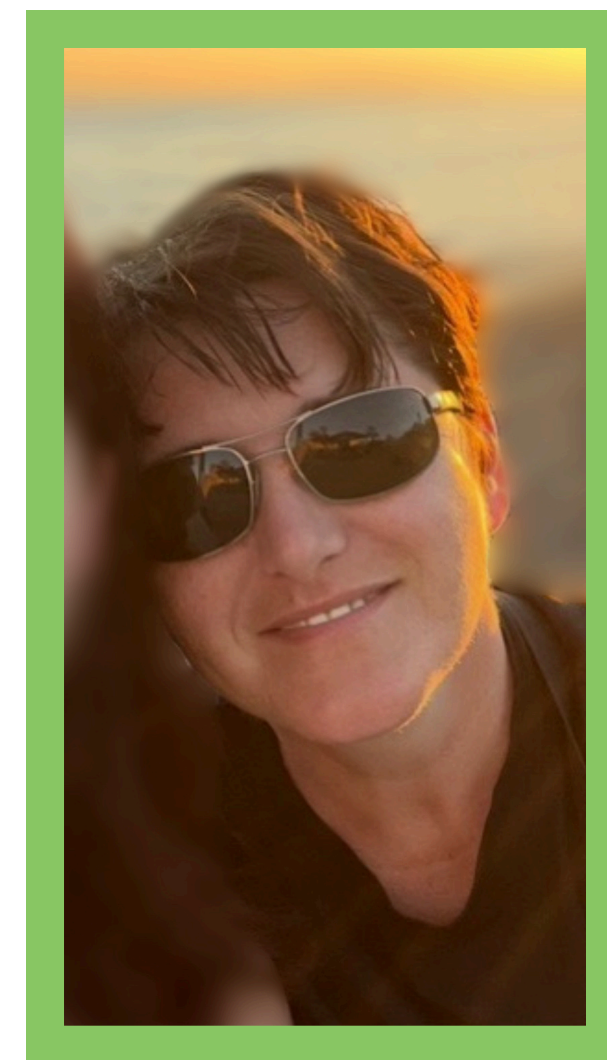

Committed.

Ready.

About me:

I have served our union in several capacities over the years:

- *Shop Steward since 2017*
- *Executive at large (inside) elected in 2018*
- *Treasurer elected since 2019.*
- *Bargaining Committee Member elected in 2021 and 2023*

Ongoing Union Education:

- *Bargaining 1 & 2*
- *Bargaining Benefits*
- *Stewarding courses*
- *Duty to Accommodate*
- *Mental Health First Aid*
- *And more! Courses I've taken give me the knowledge to keep fighting for the rights and interests of all of our members*

Over the years, I have held several roles within the city, most notably as a Bylaw and Property Use Inspector, and Business Licensing Inspector, where I navigate complex policies and regulations.

I've had a seat at the bargaining table during the last two rounds of contract negotiations, I have learned a lot especially during last round of negotiations and would love to use knowledge I've gained.

With my background, education, and commitment to our Local, I'm ready to continue fighting and advocating for better wages and benefits, fair treatment for all members, workplace safety, and to continue working towards a stronger Union.
